

Nana came Friday and stayed two nights. We went out to our fave Thai restaurant Friday for supper – yum! On Saturday we went to the market and got produce and bread and listened to live music. Saturday afternoon I went to Saturday School, then we got me paints for grown ups – 10 different colours!!! I Love painting. I showed nana how I do Yoga with an online teacher – she tells a story with each half hour session. Mama and nana were Very impressed!

Mama and I made a pizza for supper while nana researched TaeKwon Do for beginner classes.

On Sunday, nana left at noon, but we had a nice morning then mama and I went to the Bulk Barn and after supper swimming.

“You do a lot for us nana.”

“You do a lot for me Augusta Rose.”

“No I don't.”

“Yes you do, you make me happy and that's the most precious gift there is!”

Sometimes I worry I'm not a good girl. Mama and nana say sometimes we're all naughty – but we're still good! They say I don't have anything to worry about because I'll always be good.

Namaste!
