

by Mama & I

On Sunday afternoon mama and I went to Noggins Farm (Corn Maze and all!) with Nina & Family!

Monday after school:

"I did something and I might die but I'm not going to tell you what I did."

Then I did tell mama we were making cookies in school and I ate some of the batter and a big kid said there were raw eggs in it and I might die. Mama assured me that was not the case. We called nana and papa. Nana talked about making Caesar salads with raw eggs when she was a waitress. No one died. Papa first made sure that I would believe that he wouldn't lie (I did believe it) and he told me I wouldn't die and he was excited to see me this weekend!

Thursday October 25

Nana came early this weekend because I don't have school Friday. When mama and I got home the apartment was tidy, vacuumed, dishes washed and laundry done!!!

Nana and I had our Friday breakfast (waffle breakfast sandwiches!) at Tim's then headed out for Bridgewater to get groceries. We made Fabulous pizzas with fresh tomatoes, sundried tomatoes, black olives, and a yummy sauce we made up. I slept with nana – I had a good sleep, but she not so good. I got in my costume and we went to BayBoo in Mahone Bay. Mama met us there later – we were there three hours in all! I got lots of prizes including a rainbow slinky & very nice ring. Then we went to the mall in Bridgewater for Halloween crafts with the Family Resource. On Sunday, papa and I went for a TWO HOUR walk to the beach – it was Fun!
