

A very sunny, very cold weekend and the freeze continues this week - in the minus 20s with windchill - brrrrrr!

A great time to get into Tidy Up Mode!. It was already tidy, but now it's even better - we did a deep dive into kitchen drawers, cabinets, plus bedroom bureaus and storage room and entryway. Mommy was Very pleased! And she enjoyed having time to make us some very nice meals including home made shrimp balls – yum yummy!

I took a photo of Nana. I invented a new saying! “Butter the Toast” (I want to be friends).

Another saying, “I'm not feeling the love” - nana says, “wonder where she got that from?” :-)
