

**February 27** – I call nana and papa – My First Tooth is Loose!!!! Verrrrrry Exciting! It's one of my front bottom row teeth! I stayed with Naomi a few hours this evening and Guess What! Her mama in Africa made me a dress! And Naomi gave me some jewelry and a touque from Africa! Mama was a lil worried I wouldn't be able to get to sleep cuz I sure was hyped up!

**Chatting:**

To mommy: “When you're talking on the phone do you ever see the person you're talking to?”

Mommy: “Like nana and papa?”

Me: “Yeah.”

**More chatting:**

To mommy: “Imagine if we could being a person to Show and Share!”

Mommy: “Who would you bring?”

Me: “Nana!”

**March 2** – Nana had to go home a day early – Saturday *morning* because of the darn old winter storm coming. It's good she did though – we got a Lot of snow! See what I mean?

March 4

No school today - aNother snow day! Mommy texts nana: “Overheard Augusta to Brookie and Karina: “Did you know that MY PAPA had a PORCUPINE crawl up his arm?””

March 7

Nana and papa came to see THE DARKEST FOREST, our school play at the Alderney Landing Theatre!

We had a lot of fun – even when we weren't on stage. I was one of the Siri . . . at the finale the whole school sang Bon Jovi's *Livin' on a Prayer*.

The next day I took Uni to school.
