

Birthday quote, March 26:

“Mommy, what is something you'd like to have but you don't have enough money to buy it?”

“Hmmm . . . I used to think I didn't want to buy a house, but now I do.”

“I can help you [with my allowance, \$2 a week for clearing the table]”

“Oh Augusta, that's your money!”

“No, it's too late – I've already decided!”

Earlier in the month: “I want to win [C100's] \$50,000 – then mommy wouldn't have to work again!”
