

**Papa & I deciphering Magic!  
I try out my new Camper Chair from Nena - check out my  
stainless steel straw from Mommy!  
Papa made me my own paddle!**

Mommy did my hair Friday night – I chose my balloon at Party City. We picked up Aminata & Ayo Saturday morning, got the Ice Cream cake with unicorn (so yummy), then drove to the Toy Box for our party – all girls (plus Ayo, Joe and Papa!) – mostly from school except for Nena (and Joe and Xavier)! We had a good time! I opened the presents from Mommy, Papa and Nana at home first – Papa was going to leave at 4. He made me a paddle! He remembered our chat last summer! I Knew it was a paddle! Mama got me a Magic kit with 25 tricks in it! I also got an indoor fairy garden we'll plant next weekend and a second Crazy Fort. After papa left I opened my friends' presents – wow! Then we had pasta for dinner and watched a Scarrry Movie (my idea) – The Chipmunks meet the Wolfman. On Sunday, Brookie came over for a visit – we built a two room Crazy Fort!

I had a great birthday! Thankyou Mommy!
